Notes for Entry

- **BEAT THE HEAT - I intend to run the draw so that if you enter 2 tests then your tests will only be approx 20 mins apart. That way you only have to do one warm up, and in-between your tests you can walk your horse around the non-competition area. The two dressage arenas will be set up side by side in the large bottom area. This way you are finished quickly and don't have to wait around in the heat for your second test.**
- We will be using the Nominate Scoreboard system so your test papers will be emailed to you. No need to wait around for your test papers.
- Bridle Number is encouraged
- Maximum two tests per horse and rider combination. Can be at 2 consecutive levels.
- ONE horse per rider and NO stallions

A full Canteen will be operating on the day from 8.00am
